## EDITORIAL FORMULA

Aftersales Magazine is an independent business to business aftermarket publication that is made by specialists with decades of experience. The magazine focuses on all automotive companies with a workshop. The workshop is a profit center for the dealer, so developments of the aftersales area are of great interest to both managers and technicians. In the independent channel the garages, wholesalers and repairers are an important part of our readers. Repair, service and maintenance, but also parts (logistics), engineering, product news, marketing and body repair are the key elements in each edition. Aftersales Magazine is readable and well designed, that is why it is appreciated at all job levels.
